Subject: Request for Permission to Use BCR from 19th to 27th September 2026 for Cultural Night Backdrop Preparation

Respected Sir/Madam,

The members of the CSE Student Council, RBU, kindly request your permission to use the Boys Common Room (BCR) areas on the 1st, 3rd, and 5th floors from 19th to 27th September 2026 for the preparation of the backdrop for the Cultural Night of the School of CSE.

Approximately 120–140 students from the 2nd, 3rd, and 4th years are expected to be involved in the preparation work, comprising around 50–60 girls and 70–80 boys, along with the Student Council members.

We assure you that the designated spaces will be used responsibly and maintained properly throughout the preparation period. The activities will be carried out without causing any disturbance to regular classes, inconvenience to students or staff, or damage to university property. All necessary safety and cleanliness measures will be strictly followed.

We kindly request you to grant us permission to use the mentioned BCR areas during the specified period to facilitate the preparations for the Cultural Night.

Thank you for your kind consideration and support.

Yours sincerely,

Nakul Rathod
President, CSE Student Council
